

Join EVES for Math and Science Night!

On Thursday, May 1, the EVES Science and Math committees will be hosting Math and Science Night for all EVES students from 6:30-8pm. Students are invited to participate in math and science activities with their parents.

In order for our Night to be a success, we need help from our generous families! We are seeking adult volunteers to help run stations such as bubbles, measurement, math mats, fossils, etc. We will need volunteers to arrive around 6 to help set up and then to man stations from 6:30-8:00 pm. All volunteers will receive clear instructions and modeling from a staff member. If you are willing to volunteer, please complete the form below and return it to school or email Amy Morton at amy.morton@fcps.edu. Thank you in advance for your support!

-
- YES! I would love to help set up and run a station for Math and Science Night
 - I am unable to run a station, but I would be able to help set up for Math and Science Night from 6-6:30 pm.
 - I am unable to run a station, but I would be willing to clean up after math and science night from 8-8:30pm
